

5 Litre

FAB-FRESH

Fabric Conditioner

A high strength fabric conditioner used in the final rinse stage of a wash cycle to provide softening, lubricidity and anti-static properties.

This is a pleasantly fragranced product.

Add fabric conditioner at 100ml for every 5 kg of dry weight wash load, use through an automatic dosing system or through the conditioner reservoir of the machine. If in doubt refer to the machine manufacturers instructions.

Keep out of reach of children. if swallowed seek medical advice. In case of contact with eyes rinse immediately with cold water.
